What first graders need to know now in Literacy

- All 26 letters of the alphabet and the sounds they make
- About 30 high frequency sight words
- How to rhyme words
- How to properly write their first name

What first graders need to know now in Math

- How to count and recognize numbers to at least 30
- How to skip count by 10's and 5's to at least 30
- Know how to make numbers to 10 (7 and 3, 9 and 1, 4 and 6)

Schoology & Devices

- **We use our devices daily. Please send them in fully charged, and send the charger. Label devices & chargers with your child's name.**
- **Please add your child's LAUSD email and password to their device.**
- **Some of the sites we use are Clever, Get Epic, Amplify Reading, Zearn, Dreambox.**
- **We use devices for district mandated assessments.**

Students are expected to know how to:

- close/open windows
- search for a website
- log into Schoology with their single sign on & using their digital badge independently
- access their camera to record themselves through Schoology (audio and video)
- submit assignments on Schoology. Homework is not collected. All assignments are submitted via Schoology.

What students need to know in general

- **How to tie their shoes**
- **Take care of their toileting needs**
- **Allow your child opportunities to develop independence and responsibility**
- **Encourage the productive struggle**

Q & A and THANK YOU!

Feel free to post questions in the chat if we run out of time to answer them before 6 pm.

We appreciate your support.
